

Dear Parents, Guardians and Community Members~

Welcome to Moosup Elementary School where we work together to provide a safe, healthy, nurturing environment for our children to grow and learn. We have high expectations for all children and want to work with you to help them achieve.

To help your child do their best, be sure to encourage them in their schoolwork and daily attendance. Help by providing positive feedback to them on their school accomplishments. Let them know that you value their education.

We are committed to developing strong partnerships between school, parents and community. As we work together learning becomes an exciting experience and we value your input. Moosup Elementary School personnel will strive to communicate regularly with you and welcome your comments, questions, suggestions and concerns.

I look forward to working with each of you to make Moosup Elementary School the best possible learning environment for our children. Welcome to MES!

Sincerely,

Colleen Lugauskas
