Spirit Day! ~ SPOTLIGHT AWARDS!

Dear MES Families and Friends,

Our Fall Festival provided an excellent time for families and friends to come together to enjoy a fun-filled evening. A special thanks to the PTO for sponsoring the event and to each class for donating a themed basket for the raffle. All the proceeds from this event will go toward enhancing student learning.

November is a month to give thanks. Be on the lookout for special days and events this month that allow our students and community to show our thankfulness by being helpful to others. At MES we will be honoring and thanking our veterans with a display in our front hallway. This will showcase veterans who have ties to our students and staff. We will also be collecting pull-tabs to raise money to assist our local veterans.

At MES, we strongly believe that fresh air and exercise are an important part of each school day. If your child is well enough to attend school, we believe that they are well enough to go outside for recess. We also would like to remind you that we go outside everyday unless it is raining or the temperature/wind chill is below 20 degrees Fahrenheit. Students need to wear proper clothing for the weather, such as a warm jacket, mittens or gloves, a hat and suitable footwear. If you need assistance providing proper outerwear for your child, please contact Mrs. Duffy, social worker at 564-6430.

The staff at MES is working diligently to promote healthy lifestyle choices for all our students. With all of the holiday celebrations approaching, we would like to remind you about the policies surrounding "treats". As stated in the handbook, if you choose to send in a "treat" for the class, it should be healthy. Each class may choose to celebrate certain seasons or events. The classroom teacher will coordinate these events so that healthy food choices are available.

Parent-teacher conferences will be held on Thursday November 10th. Teachers will be contacting you to set up a scheduled time to meet with them to discuss your child's progress. I encourage all parents to attend these conferences as they offer an opportunity for you and the teacher to communicate face to face and they also show your child that you value and are a partner in their education.

Sincerely,

Collen Lugauskas
Principal

Parent Drop Off

When you are dropping off your child in the morning, please be sure to have them ready to exit your vehicle when you pull up to the drop off spot. Also, please remain in your vehicle and the staff on duty will help your child to get out. * If we all follow this procedure, we will have a safe and smooth morning drop off.

Thank you,
Colleen Lugauskas

*Please do not park in the drop off line and then escort your child to the front. This is not safe.
