Dear Family and Friends of MES,

Signs of Spring at MES

The Connecticut Mastery test booklets have been shipped to the scoring company! I would like to recognize all of the third grade students who did such a wonderful job working so diligently each day during the testing window. I would also like to thank all of the individual parents, PTO, and teachers who donated healthy snacks, t-shirts, and special raffle prizes.

Kindergarten registration for the 2011-2012 school year will be held on March 31 and April 1 from 9-3 at MES. If you have a child or know of a child who is eligible to attend kindergarten this Fall, please contact the office for further information.

PTO will be hosting Dianisi Torres, Nutrition Outreach Educator at UCONN, at the April 7 meeting in the library. She will be discussing healthy eating. Judging will also take place to choose the logo and slogan for the May 20th Health and Wellness Fair.

The music concerts are in the final planning stages. Morning kindergarten, grade one, and grade three students will have their concert on April 27. Grade two students will have their concert on May 13. Afternoon kindergarten will be performing in early June. Mrs. Deluca, Mrs. Stopa, and Mr. Salisbury have been helping the students prepare to showcase all that they have learned this year. Please watch for specific details!

As the weather starts to get warmer, it is important to send students to school in proper attire. High-heeled shoes, clogs, and flip flops are not allowed. Shorts are permitted as long as they are mid-thigh length. Bare midriffs, spaghetti straps, and see-through shirts are not appropriate. Any clothing that is distracting to learning should not be worn to school.

The staff will begin to formulate class lists for next year. If you would like to provide input into your child's placement next year, I would invite you to write a letter directly to me describing your child's learning style and any other pertinent information critical to an appropriate placement. Please refrain from using specific teacher names. All letters must be received on or before May 6.

Enjoy the April showers that are sure to bring the May flowers!

Please remind your child:

Electronic games, cell phones, MP3 players, toys, dolls and stuffed animals are not to be brought to school or on the bus. They often get lost, broken, or create situations that distract from learning. If found, they will be confiscated and returned only to the parent. Thank you.
