SPOTLIGHT AWARDS!

Dear Parents and Friends of MES,

The holidays are behind us and the frigid days of winter are upon us. To combat the winter doldrums, we are turning our attention to literacy. During the week of January 10th, we will kick off our participation in the Six Flags Six Hour Reading Club. Over the course of a six week period, students will be challenged to read for six hours beyond the school day. Any student in kindergarten through grade three who accomplishes this feat will earn an admission ticket to Six Flags. Each ticket will come with a discounted admission ticket offer for families so that they can celebrate their child's accomplishment. The PTO will also play a part in promoting literacy by sponsoring Family Reading Night on January 14th. Participants will be encouraged to wear their pajamas and curl up with a good book. Please watch for specific details about the program as well as the event.

Although the snow and ice are often quite beautiful, I would like to remind you that on occasion, the school may be closed, delayed, or closed early due to inclement weather. Please consult the Student Handbook for detailed information about procedures. Also, students go outside for recess most days. It is important that students wear proper outdoor wear. Once there is snow on the ground, boots are recommended.

The staff and I would like to thank everyone for donating items for our Giving Tree. Many families benefitted as a result of true generosity.

Happy New Year!
