Dear MES Families,

Welcome to the 2009-2010 school year! Special greetings go out to our grade one families and to all whose children are new to Moosup this year. It was wonderful to see so many of you at our Curriculum Open House/ "First Day Celebration" on Tuesday. We are grateful to RaRa's for providing each student with a coupon redeemable from September 2-4. Establishing a positive home/school connection and creating a strong sense of community from day one are extremely important.

This year we are pleased to welcome several new staff members: Mrs. Kausch as a grade one teacher, Mrs. Cooke as our school psychologist, Mrs. Pelish-Sundstrom as our social worker, Ms. Pina as an intern, Mrs. Pastrana as a permanent guest teacher, and Ms. Verbeke, who will be student teaching in Mrs. Barber's grade one classroom during the fall semester. I, too, am new to MES as principal.

The entire faculty and staff are looking forward to a productive year for your child-learning, growing, caring, and sharing. We are delighted to be partners in educating your child. I encourage you to be an active participant in the process. Whether you are available to volunteer in the classrooms, chaperone field trips, help with a PTO sponsored event, or read to your child every night, you are truly making a difference in your child's life. Make sure to consult the MES calendar that is sent home each month so that you do not miss any of the many events and opportunities.

Sincerely,

Anne Hogsten
Principal

Thank You

A very special to our
garden elves who donated their time and talent to beautify our Bell garden:
