

PLAINFIELD BOARD OF EDUCATION

ADVERTISING AND PROMOTION

The purpose of this policy is to provide guidelines for advertising or promoting of products or services to students, staff, or parents in the schools by the school, staff, or any affiliated organization.

School facilities, staff and school children shall not be employed in any manner for advertising or otherwise promoting any commercial, political, or non-school agency, individual or organization in the schools.

Canvassing, soliciting of funds or selling of any items by any outside agency shall not be permitted on the school premises. School personnel may not participate, during school hours or on school grounds, in the solicitation of orders, the distribution of advertising material, or the collection of charges.

The Superintendent is hereby granted the authority to approve activities in cooperation with any individual or organization in promoting activities of general public interest which promote the education or other best interest of the students. Exhibitions in schools of any books or articles or apparatus, or films or other educational material shall be adjudged on the basis of their actual educational values.

In the case of colleges, universities, armed service agencies, corporations, business and public service agencies, it is the policy of the Board of Education that access to schools shall be encouraged to bring career and occupational information to students. The Superintendent shall ensure that such activities are carefully monitored to restrict any commercial advertisement.

Contracts which purport to authorize private individuals or corporations to promote the sale of products and services through commercial advertisements aimed at public school students are expressly prohibited.

Nothing in this policy shall be construed to limit the authority of the Board of Education under law to authorize the broadcast of high school games and other events by radio and TV stations even though the broadcast is commercially sponsored.
