

SUBSTITUTE TEACHERS

Prior to the start of each school year the Central Office will publicly advertise for substitutes and in September will compile a list of approved certified substitute teachers and disseminate it to each of the principals in the public school system.

Non-Certified Rate of Pay	\$75.00/Day
Certified Rate of Pay	\$85.00/Day

NOTE: There is no benefit package for daily substitute teachers.

The daily rate of substitute teachers assigned for 41 days or more in the same position will be determined by the Superintendent.

Permanent Substitute Teachers

The three elementary schools, the middle school and the high school may each employ a substitute teacher on a permanent yearlong basis following the student calendar. This position is to be held by a person with at least a bachelor's degree. Pay will be \$90/day. Benefits are three (3) sick days and one (1) personal day.
